

Appln. No. 09/885,093  
Amd. dated April 8, 2005  
Reply to Office Action of January 26, 2005

Amendments to Drawing

Figure 4 has been amended to correct the **a** and **b** directions along line 53'. Attached is a formal replacement drawing of Fig. 4. Approval and entry are respectfully requested.

REMARKS

The above amendments correct minor typographical, clerical and/or drafting errors, and are submitted for purposes of accuracy so that the resultant patent will be correct.

No new issues are raised. No issues of patentability are raised. The above amendments should be approvable with very little or no additional work on the part of the PTO.

Favorable consideration, and approval and entry of the amendments made above are respectfully requested.

Respectfully submitted,
